

Richardsons Cutlery, Sheffield

- Land and buildings near the centre of Sheffield used for cutlery manufacture and distribution
- Conditional contract to purchase negotiated for clients
- Terms subsequently renegotiated on a more advantageous basis for clients
- Planning permission now secured for high density residential development (apartments)

Testimonial

"Hawksmoor have assisted Banks Developments in securing land interests in a number of major development projects including Richardsons Cutlery Works. I know of no other firm who can equal their commercial input and determination to complete a successful transaction."

J Dickenson, Managing Director, Banks Developments
