

## Lichfield Street, Fazeley, Staffordshire

- Unique new build and refurbishment opportunity on the junction of the Birmingham, Fazeley and Coventry Canal
- Located within Lichfield District Council's Fazeley Conservation Area
- Technical constraints investigated and resolved
- Site exposed to the open market following grant of Planning Permission and sold to a Regional Housebuilder

### Testimonial

*"Hawksmoor were brought on board half way through a protracted sale process when negotiations seemed to be at a stalemate. We felt very comfortable with their explanation of the terms and processes to be undertaken right from the start. We felt the opinions given were honest and held our best interests at heart, the process was handled in an extremely reliable, professional and efficient manner. We will have no hesitation in using Hawksmoor again".*
