

Station Road, Ashby de la Zouch, Leicestershire

- Former Mines Rescue Services Premises
- Outline Planning Permission obtained by Hawksmoor from North West Leicestershire District Council for conversion of existing buildings and new build residential development
- Section 106 Agreement negotiated
- Technical constraints investigated and resolved
- Site sold unconditionally on the open market to a National Housebuilder

Testimonial

"We found in Hawksmoor a rounded 'one stop shop' covering site investigation work, development advice, commercial acumen, knowledge of the market place and sound negotiating skills utilised on our behalf. We felt well informed at all stages of the process and were provided with all the information and specialist advice needed to reach sound business decisions and the expertise made available to us to close the deal"

M McNamara, Company Secretary, Mines Rescue Service Limited
